Teacher Improvement Through Certification

The purpose of this grant money is to help inspire MTNA National Certification by defraying some of the application costs accrued by OMTA West Portland District members. To apply for the funds, an OMTA West Portland District member must fill out this form and have proof of their newly received National Certification (a copy of the letter sent by MTNA is sufficient).

West Portland District has \$100 grants available for the first three applicants that apply each fiscal year. When the three grants are awarded, no additional grant money will be available until the next fiscal year. (Please note that these grants for West Portland District are separate from the State Certification Grant funds. West Portland members only apply for either the West Portland District or State grant but not both.)
